General Advice

You may consider bringing the following items on walks for your safety and comfort:

Some of the areas in which we walk can be subject to severe weather at any time of the year

- Comfortable walking boots
- Waterproof jacket and over trousers
- Rucksack
- Packed lunch / tea and enough liquid (whilst we normally visit a pub or café for lunch / tea, this is not always the case. (If in doubt check with the leader in advance).
- Enough spare clothing, fleece jacket, gloves, hat, sunhat etc (depending on season)
- Waterproof mat to sit on at breaks
- Basic first-aid kit, or at least plasters
- Mobile phone (bear in mind many areas in which we walk, do not have reception)
- Items such as map, whistle, compass, torch, penknife, sun cream, insect repellent.

Special Notices

All walks and activities are undertaken by the participants at their own risk. (See health and safety advice & Risk Assessment on the Club website)

Any participant on walks, seen to be dropping litter, or behaving in any way anti-socially, will be barred from attending further S.R.C. activities.

No dogs or other animals allowed on the coach

No smoking is allowed on the coach, and if smoking on a ramble, smokers are requested to be mindful of other walkers.

Shorter and less arduous walks (approx. 6-8 miles) are usually arranged on the day of the walk on an informal basis

The club will not accept responsibility for members who voluntarily leave the main party. If you wish to leave the main party, you must notify the leader.

Belongings can normally be left on the coach whilst walking. However, The Club accepts no responsibility for any losses.

Short walks are usually arranged on an informal basis at the beginning the day of the main walk, dependent on a walk leader being available
